

Belpre Ohio. March 17th 1890.

Dear Sir.

Excuse me for taking up your valuable time. I wish to ask you a few questions. Would you be kind enough to tell me when they first began to make the two cent, ^{piece} three cent silver, and the three and five cent nickel piece. Please let me know if they are still making the U. S. Half cent piece.

My Papa thinks that you would let me have some proof coin, if so please let me know. I'm a small boy of 14 years of age and my papa gave me a broken collection. And I have now got some rare pieces and I want to continue in collection.

I'll be pleased to hear from you.

Yours Resp

Kellie King.
